MISSION

To be a committed partner in compliance monitoring. Serving the Idaho Judicial Community and those under its jurisdiction.

VISION

We are a dedicated state wide agency offering service at a reasonable rate to ensure individuals have the ability to remain compliant with court ordered obligations. We strive to ensure competency within our field and promote services which help provide a safer community.

VALUE

As an agency we value honesty, integrity, trust, fairness, cooperation and ethical conduct. We strive to be a leader within the compliance monitoring industry and provide services in a manner which is respectful and helpful to the individuals placed with our agency. We are dedicated to a professional relationship with our contracted partners, judicial affiliates and clientele.
